

The diagram shows a 3x3 grid. The central square is olive green. A horizontal band of orange squares covers the middle row. The top and bottom rows are white. The central olive square is also part of the orange band. The letters *B* and *A* are placed in the middle-left and bottom-center squares, respectively. A dashed line runs horizontally through the center of the grid, passing through the middle of the olive square.

*B*

*A*
